

# Girls Ministries Review Board Responsibilities

The Honor Star, Friends, Girls Only and Honor Sponsor reviews are nationally standardized and should be completed in your church under the direction of a Girls Ministries Review Board. The Review Board should consist of three mature Christian women in your church. The women ***should not be related*** to the individuals completing the reviews, nor should any of them be a ***coordinator or sponsor*** of a girl taking a review.

Girls and sponsors can be given their corresponding reviews at the same time in order to conserve the time obligation of the women on the Review Board.

The Review Board is responsible to check the items outlined below. Use the following checklist as a guideline for your Review Board.

**NOTE:** *The only acceptable reviews for recognition are the nationally standardized fill-in-the-blank reviews provided in the Girls Ministries curriculum and to district Girls Ministries directors. Additional oral testing by the Review Board should NOT be required.*
