

CONNECT WITH MISSIONS

*the
connect
fund*

(Previously named FutureHope)

North Texas women are honored to financially partner with our missionaries and other ministries across our district. These funds provide household furnishings for full-time world missionaries, Christmas gifts for fully appointed missionaries, and other projects specifically for women and children. Together, we can make a significant impact in what God is doing in our district and around the world.

*500
club*

Every woman is challenged to love big and give \$500 to The Connect Fund. They receive a special gift as a reminder to pray regularly for NTD missionaries and ministries.

*the
home
market*

(Previously named Blue Bonnet Boutique)

North Texas women donate brand new household items for missionaries' homes. Once a year, NTD fully appointed World and U.S. missionaries are able to "shop" for these items at no cost. See our website for items to donate.
